Dear Property Owner:

The City of Bangor is finishing the process of collecting data for the 2026 Property Revaluation. To ensure accurate data for the assessments, it is important that all dwellings within the city be measured and inspected. The city has hired KRT Appraisal to assist with this task. You are receiving this letter because KRT Appraisal has been unsuccessful in visiting the property due to it being posted “No Trespassing” or the Data Collector was refused access. It is important that your property be inspected in order to help produce the most accurate assessment. While we respect your right to post “No Trespassing”, please note that a visit will be required if you wish to have your assessment reviewed upon completion of the 2026 Revaluation.

The Assessing Department requests that you contact KRT Appraisal to set up an appointment for an inspection. Appointments may be made by calling **KRT Appraisal at 1-855-228-4033 between the hours of 9:00 AM and 4:30 PM from Monday, July 14th through Monday, July 28th. Calls cannot be taken before or after these times and dates.** Please have your letter with you when you call as you will be asked for the Account # that is printed on the bottom of this letter. When scheduling, please keep in mind that an interior inspection **will not** be conducted unless a person 18 years or older is present.

Appointments will be scheduled in one hour time slots. A KRT Appraisal representative will arrive at the property sometime during the hour scheduled. You may be the first, or second, appointment of the hour. Please be sure that someone is available at the property for the entire appointment timeslot. For your convenience, evening appointments will be made available. Since these time slots are limited, please request an evening appointment only if no one is available during the day.

The inspection process will help us validate the information on record and give you, the property owner, the opportunity to let the appraisal company know of any positive or negative influences affecting the property. Failure to allow an interior inspection may cause you to lose your right to appeal.

Sincerely,

Philip Drew, CMA
Tax Assessor
