RE: Preliminary 2023 State Valuation

Dear Municipal Official(s):

Enclosed you will find a copy of the **preliminary** 2023 State Valuation report for your municipality as prepared by a field representative of the Property Tax Division. This valuation represents the full equalized value of all **taxable** property in the municipality as of **April 1, 2021**. Please note that these figures are preliminary and are being forwarded to you at this time in order to provide for your review and allow time for any contribution of additional comments and/or pertinent data.

The State Valuation is compiled by determining, through field work and meetings with local officials, the approximate ratio of full value on which local assessments are made, and by then adjusting the local assessed values in accordance with the Rules of Procedure Used to Develop State Valuation (08-125 Chapter 201). State Valuation is a mass appraisal estimate of the 100% market value of all taxable property of a municipality and is established annually by the State Tax Assessor. The enclosed report is comprised of five (5) parts: the Sales Ratio Analysis; BETE audit; State Valuation Analysis (PTF303.4); Report of Assessment Review, a three (3) year comparison (PTF303); and Report of Assessment Review, informational review (PTF303.2).

If after reviewing this report you find any errors or inconsistencies, need clarification or simply wish to discuss the report, please call the Property Tax Division at 624-5600 or fax your concerns to us at 287-6396. Alternatively, you may contact your area field representative from Maine Revenue Service, Property Tax Division directly for the purpose of discussing any additional information pertinent to the preliminary State Valuation.

The Proposed 2023 State Valuation Notice will be sent by certified mail on or before September 30, 2022.
